

Town of
North Stonington, Connecticut

Public Hearing Notice
May 1, 2012
North Stonington Elementary School Multi-Purpose Room
7:00 PM

The Board of Selectmen of the Town of North Stonington announce that the Town will rehabilitate the Village Green Bridge on Main Street due to damages incurred during the March, 2010 flooding. The bridge rehabilitation project will receive federal funds from FEMA at a rate of 75% reimbursement.

A presentation of the project design/repair will be given by WMC Consulting Engineers, Newington, Connecticut with likely construction to begin in the Summer/Fall of 2012.

The Selectmen point out that local federal, and state policy encourages early information to citizens on such projects and encourages people to raise any concerns with municipal officials early in the planning process. Persons wanting added information should contact First Selectman Nicholas H. Mullane, II, 860-535-2877 x 10 or attend the scheduled Public Hearing.
